

Lesson Activities

Please start with the True or False task. Then choose the tasks you think most appropriate for your group.

1	True or False task (on separate sheets)	<i>Teacher led – individual task</i>
2	Choose three things you learned about Maggie in the presentation. Which of these are similar to you and which different?	<i>Small group discussion or individual written task</i>
3	Name three ways in which Maggie’s autism makes her different from someone who isn’t autistic.	<i>Small group discussion or individual written task</i>
4	Why does Maggie think that autism is a superpower? What do you think makes a superpower?	<i>Small group discussion or individual written task</i>
5	Choose one of the following and design a poster that explains what it is: <ul style="list-style-type: none"> • Masking • The autism spectrum • Autism as a superpower 	<i>Individual creative task</i>
6	Create an Autism Charter – how can we better support autistic young people in school? Whole group activity	<i>Whole class activity</i>
